Accommodation at the Kumbha Camp will be limited to five days (including the day of arrival and departure) so that a greater number of devotees can avail of the limited camp facilities and yet have the satisfaction of having done their bathing and fulfilled their observances. The camp facilities are meant for YSS devotees & family members only.

Accommodation arrangements at the camp will be very basic, consisting of only a tent pitched on the ground and covered with straw. Devotees are therefore advised to bring blankets and bed sheets. Some warm clothing is required as the nights are cold in Haridwar.
